

Woodwind Studios Dressage Freestyle Design

Terms and Conditions:

Deposit of 50% is required at time of booking. Additional 25% is due after music sample video is delivered. 25% balance is due after edited music video is delivered and before final music file is released.

Your deposit books a spot in my production schedule and I do not offer refunds after that creative time is set.

Freestyle must be completed within 6 months of booking; payment is forfeit after that time. If you pause work on the freestyle for any reason or fail to produce choreography video to meet my production schedule, you will be inserted into my schedule again on an availability basis (regular business hours only – no weekends).

You will be provided about 4 pieces of music per gait with the option for me to research up to one additional theme (1 piece per gait). After that limit is reached, additional music research is charged at \$30 per theme for lower levels and \$40 per theme for Grand Prix. I will only edit one piece of vocal/karaoke music in a freestyle with all other choices being instrumental. If you present me with music that you want edited, it must be tempo-adjustable for the horse.

Music will be edited to match choreography video you provide. It is your responsibility to provide video with choreography ridden in a way you can accurately reproduce. If you design your own choreography, you must provide video with legal timing and with technical requirements fulfilled. Re-editing music is charged at a rate of \$50 per hour. Redesigning choreography is charged at a rate of \$40 per hour.

Each freestyle is created for the exclusive use of the rider, and Woodwind Studios retains creative rights to the product. You cannot give, loan, or sell your freestyle to any other rider, or use it for any other horse, without the express consent of Woodwind Studios. Payment of deposit indicates acceptance of these terms.
